DAIRY DIARY

Britain's best-selling diary is better than ever!

With its practical layout, reminders, calendars and planners, the 2025 diary is the perfect choice for planning, organising and inspiring you throughout the year. The enticing weekly recipes are simple yet delicious and have been triple-tested so you can rely on them to work every time.

New for 2025:

Fascinating features on gardening, crafts, wildlife and food.

2025 A5 week-to-view diary

A5, clear week-to-view layout.
Lots of space to write plus notes pages.
Concealed wiro-binding for lie-flat writing.
Stickers to customise dates.
Handy notes pocket.

Dairy Diary also has a super practical layout plus stickers, reminders, planners, and fascinating crafting, gardening, and wellbeing features.

There's lots new for 2025 too!

You'll love the inspirational weekly recipes – simple yet delicious dishes that have been triple-tested to ensure they work every time.

£11.00

Information at your fingertips

Fascinating features on crafts and gardening.
Essential information for home and garden.
Really useful kitchen tips.
Calendars & budgeting pages.

Inspiring weekly recipes

The enticing weekly recipes are simple yet delicious and have been triple-tested so you can rely on them to work every time. Try something new every week throughout the year!

Pocket Diary & Notebook Set

Designed to neatly slip inside your handbag or jacket.

The little Diary is handbag sized, and great to carry round, together with the pretty Notebook.

Small Is Beautiful

Sharing a pretty design, the Pocket Diary and Notebook will help keep you organised on the go.

The Diary is week-to-view and the Notebook lined for tidy notekeeping. Both come with an attachable pen.

Both the Diary and the Notebook are small enough to carry with you everywhere.

£8.00
